

Magnetic Pick Up and Retrieval Range

Ideal for: Garage, Workshop, Warehousing, Logistics, and Factory Applications.

Eclipse Magnetics

Over 100 Years of Manufacturing Excellence

Serving some of the leading names in industrial distribution

- CPC
- RS Components
- Cromwell
- Brammer
- Hoffmann
- MSC
- Monks and Crane
- Buck and Hickman
- THS
- Troy

Adding Value to Your Portfolio

With over 100 years' experience in the design and manufacture of high performance magnetics, we supply critical components to some of the leading names in the most demanding industries. From large automation and security projects to routine workshop applications, the end user can rest assured that Eclipse is definitely a brand to trust for quality and service.

In addition, distributors or stockists can enjoy the benefits of a prestigious range which adds financial and brand value to your portfolio.

Designing Excellence

We have a track record of producing high quality products backed by a commitment to total customer service. All manufacturing is carried out under an ISO9001 certified quality management system and we are accredited to ISO14001 environmental standards.

Magnetic Pick-Up Tools

An Innovative range of high quality options for picking up everyday items and cleaning locations such as warehouses, car parks, factories and workshops.

Magnetic Sweepers

- Attracts potentially dangerous or damaging ferrous items e.g. nails, pins, staples
- For easy clear of work areas, floors, sports pitches or car parks
- With adjustable telescopic handle
- Handle mounted quick release mechanism releases debris collected
- Extra wide version available for large areas

Part Number	Head Width mm	Height Including Handle mm	Weight Kgs	Pull Force Kgs
MSW385	385	1050	1.225	2
MSW620	620	1050	1.925	8
MSW940	940	1050	2.695	12

Magnetic Pick-Up Wand

- Quick and safe pick-up of iron and steel offcuts, filings, chips and general swarf
- Features a quick release handle
- Lightweight and extremely durable - non-rusting
- Long reach version available 90cm (35 inch)

Part Number	Length mm	Weight Kgs	Collection Capacity Kgs
MW400	400	0.476	6.35
MW900	900	0.725	11.25

Magnetic Rake

- Protects grassed areas, sand, gravel, soil from potentially dangerous ferrous items
- Robust construction
- Telescopic handle
- Quick release mechanism of magnet

Part Number	Head Width mm	Length mm	Weight Kgs
MR305	305	1100	0.835

Magnetic Pick-up Tool

- Long reach pick-up tool
- Large magnetic head
- Ideal for garage, workshop, factory, general purpose use
- Telescopic handle
- Holds up to 4kg

Part Number	Head Diameter mm	Length mm	Weight Kgs	Pull Force Kgs
MPT1100	88	990	0.835	4.5

Magnetic Retrieval Range

A range of options for retrieving items from difficult to access locations, ideal for garage, workshop, household, plumbing, factory applications.

Light Duty Telescopic Magnetic Retrieval Tool

- High precision Magnetic Retrieval tool
- Ideal for precise pick-up and retrieval
- Compact size with added pocket clip
- Extends 62cm (24inch)
- Extra wide versions available for large areas

Part Number	Length mm	Weight Kgs	Pull Force Kgs
EM967-R	147-660	0.04	1

Heavy Duty Telescopic Magnetic Retrieval Tool

- Telescopic Magnetic Retrieval tool with over 7kg pick up capacity
- Extends to 77cm (30inch)
- Anti slip rubber handle for use in any working environment

Part Number	Length mm	Weight Kgs	Pull Force Kgs
MRT770	180-770	0.88	7.5

Heavy Duty Telescopic Magnetic Retrieval Tool with Torch

- Telescopic Magnetic Retrieval tool with LED
- Extends to 81cm (31inch) with 3kg magnetic hold
- Perfect for retrieving objects in hard to reach places
- Powerful LED Light (batteries Included)

Part Number	Length mm	Weight Kgs	Pull Force Kgs
MRT810T	190-810	0.08	4.5

Multifunction Telescopic Magnetic Retrieval Tool with Torch and Inspection Mirror

- Multi Telescopic Magnetic Retrieval tool with LED and inspection mirror
- Flexible head ideal for hard to reach places
- With added magnetic base can be used as inspection light
- Inspection mirror ideal in confined spaces
- Powerful LED Light (batteries Included)

Part Number	Length mm	Weight Kgs	Pull Force (Head) Kgs	Pull force (Base) Kgs
MRT582MF	175-582	0.132	3.5	5.0

Flexible Magnetic Retrieval Tool

- Flexible Magnetic Retrieval
- Ideal for retrieving items in hard to reach places
- Available up to 52cm

Part Number	Length mm	Weight Kgs	Pull Force Kgs
E600	450	0.11	0.5
E601	450	0.12	1.0
E602	520	0.13	1.8

Special Magnetic Retrieval Tool with Torch and Claw

- Flexible Magnetic Retrieval
- 62cm (24inch) flexible length ideal for hard to reach places
- Push button spring steel retrieval claw ideal for non-magnetic pickup
- Powerful LED Light (batteries Included)

Part Number	Length mm	Weight Kgs	Pull Force Kgs
MRT625MFF	625	0.15	2.25

WORKSHOP

Our Workshop range includes a variety of innovative magnetic devices for solving challenging problems in workshops or factories.

Recovery Tool

- Constructed from a ferrite magnet sandwiched between two steel plates
- Designed for recovery or retrieval, such as recovering objects from coolant tanks or vats

Sheet Floaters

- Sheet separators use magnetic repulsion to separate sheets in a stack so they can be removed more easily
- Sold in pairs

Tool Rack

- Contains 2 powerful magnet bars with extruded magnetic rubber lengths, housed between two pole pieces
- Neatly secures and holds tools in the garage or workshop and knives in the kitchen

Table-Top Demagnetiser

- Lightweight unit for the removal of residual magnetism from components after workholding
- CE Approved
- Max Usage: 2 mins in any 4 minute period

Magnetic Trays

- Magnet in base attaches the tray firmly to ferrous surfaces and holds ferrous items in the tray
- Magnet base is rubber coated to safeguard surfaces

Hand-Held Pick-Up Tool

- Powerful ferrite magnet attracts ferrous items to base
- Quick release handle frees attracted items
- Ideal for picking up small components, nails, bolts and spilt materials

Magnetic Tool Mat

- 3 strong ceramic magnets encapsulated in a tough PVC casing
- Widely used in production areas for keeping tools and parts within easy reach
- Magnetic both sides

Welding Tools

- Clamps components during welding and assembly
- Fixed angle or adjustable angle product range
- Ideal for use on ferrous flat plate and tube

Other Products

In Addition to our range of Retrieval and Pick up tools, Eclipse Magnetics manufactures a wide range of Magnetic Products for diverse applications

The world famous Eclipse Branded Range of magnets and Pot magnets

High quality electromagnets for hold and release applications

A range of High performance magnets and assemblies of a variety of applications

Magnet base and Chucks for maintaining precision accuracy

Our range of easy operation magnetic lifters

Easy application marking and Display products
